THANK YOU FOR PRAYING

For the Staff,
Board of Trustees
Volunteers
Groups

We thank God for Cliff's contribution as manager over a number of years, and now for the appointment of Richard and Jo who will have the task of implementing this new phase in the life of Dalesdown. We also thank God for Bern and Wendy Downton who have delayed their retirement until the end of July in order to ease Richard and Jo into their roles over a couple of weeks.

We are always grateful for good feedback from groups, especially when they report a sense of God blessing at Dalesdown.

Safety of personnel and property is a matter of praise. Harmony with neighbours is so helpful. Links with other organisations such as 'Splash' who work in local schools creates strength and opportunity.

So many blessings follow the hard work of a dedicated team, including those who pray.

PLEASE PRAY FOR

New Staff
and an excellent team spirit
with existing personnel

Fundraising
and the Sellwood Sports Hall building
programme

Children Worldwide and FFT
events and projects
