

Don't miss out!!

Assemblies can be led for you at Dalesdown.

Through our sister organisation, Children Worldwide, and other partners we are able to offer the services of experienced children's workers to take an Assembly during your stay.

This service is freely available to schools using Dalesdown, but it's acceptance is NOT a condition of your booking.

Assemblies available from:

Paula Smith: Living with disability, Paula can offer a unique perspective and presentations for primary aged children.

Ready Assembled Puppet Theatre Company (See picture above): Can offer twenty minute special assemblies to primary aged children.

Their presentations are highly visual and participative, including a colourful mix of puppet sketches, a bible story, a prayer and a song.
